

QUICK GUIDE

3-IN-1 FOLDABLE QI2 WIRELESS CHARGING STAND

Unfold 3-in-1 Charging Stand to an upright position.

Connect the USB-C charging cable (included) to the 45W power adapter (included). Attach included wall plug adapter depending on your region. At least 36W Power Adapter required for optimal use.

Connect the USB-C cable to the rear USB-C port on the Charging Stand. The front LED indicator will illuminate once connected to power.

Place compatible iPhone on the Qi2 charger to begin charging. Supports charging speeds of up to 15W.

Place AirPods onto the charging pad to begin charging. Supports 5W charging.

Fold down the Apple Watch module and place the Apple Watch onto it to begin charging. Supports 5W fast charging on Apple Watch Series 7, 8, 9, Ultra, and Ultra 2.

Only iPhones that support MagSafe charging are compatible without the use of an additional magnetic attachment or supported MagSafe case (not included).

INSTALLING INTERNATIONAL PLUGS

1

Fold up the JP Plug.

2

Align international plug over the insert.

3

Press down until adapter sits flush with power adapter.
