FINDALL™ CARD
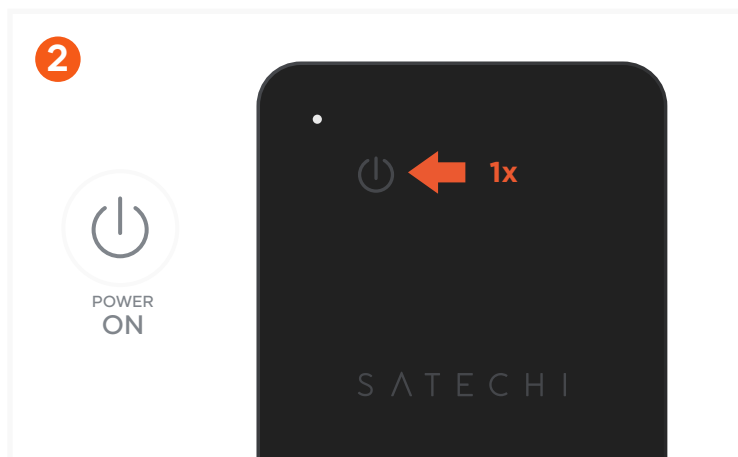

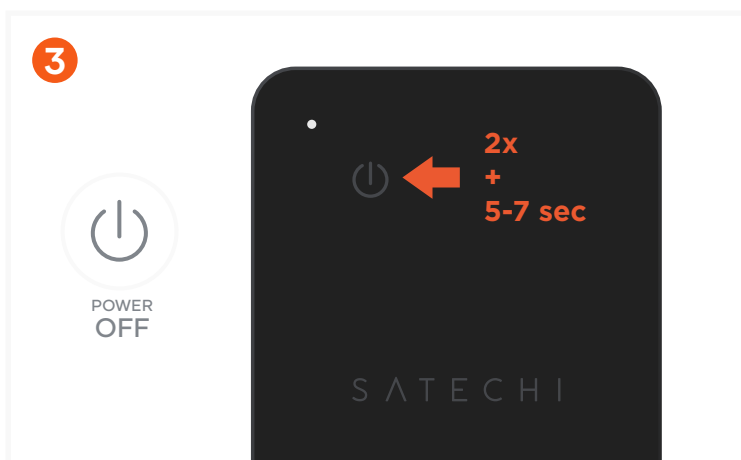

### SKU: ST-LFAWCK / ST-LFAWCW / ST-LFAWCR

1

Charge the Card with a wireless charger (*not included*). The status light will be orange while charging and green when fully charged.

It is recommended to charge once every 12 months. Battery life lasts up to 16 months* on a single charge (may vary depending on usage).
2

1x

POWER
ON

To power on the Card, press the power button once. It will beep to indicate it is on.

If not paired within 10 minutes, it will beep and automatically power off.
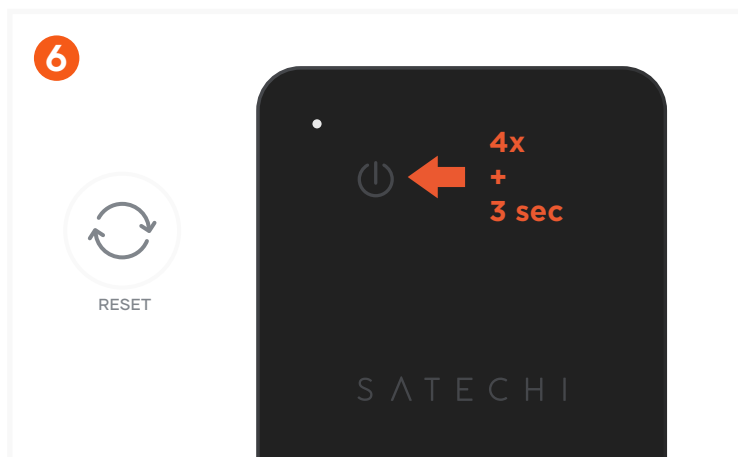

3

2x
+
5-7 sec

POWER
OFF

To power off the Card, quickly press the power button 2 times, then long press the 3rd time for at least 5 to 7 seconds. You will hear two beeps, indicating your FindAll™ Card is powered off.

When device is powered off, you cannot track its location.
