

# QUATRO WIRELESS POWER BANK

- 1** Before use, please fully charge the Quatro Power Bank via USB-C port using its included cable. Four LED lights will illuminate when fully charged

- 2** Turn on the wireless charger by pressing the power button twice. Blue LED light will turn on

- 3** Place a compatible Qi wireless device on the Satechi logo. LED light will turn orange when charging begins. Max output 5W

- 4** Place an Apple Watch, display side up, on the module to begin charging. Max output 2.5W

- 5** Use the USB-C PD port to quickly recharge the power bank, power Type-C tablets or fast charge compatible devices. Fast charging requires an USB-C to Lightning cable (sold separately). Max output 18W input/output

- 6** Use the USB-A port to charge an extra USB device – such as an iPhone or AirPods. Max output 12W

- 7** After use, power off the device by press and holding the power button until LED lights turn off.

FOR BEST USE, WE RECOMMEND CHARGING UP TO THREE DEVICES AT A TIME.
