

# INSTRUCTIONAL GUIDE

## R1 ALUMINUM STAND

- 1** Effortlessly adjust your device to the perfect viewing angle with its 270-degree mount and base hinge.

- 2** To keep a clean and clutter-free desk space, string your charging cords through the back cut-out of your R1 stand.

- 3** Minimize neck strain by elevating your MacBook to a comfortable height by adjusting the back hinge.

- 4** Stream YouTube videos on your iPhone and watch in landscape, portrait or flat orientation.

- 5** Bring on plane rides to browse through iBooks and vacation photos on your iPad.

- 6** When not in use, simply collapse and store in your carry-on luggage.

### UNIVERSAL COMPATIBILITY
