重要

- Connected USB devices should not exceed an input current of 900mA.
- Les appareils USB connectés ne doivent pas dépasser un courant d'entrée de 900mA.
- Dispositivos USB conectados no deben exceder una entrada de corriente de 900mA.
- Angeschlossene USB-Geräte sollten eine Eingangsstromstärke von 900 mA nicht überschreiten.
- 接続されたUSB機器は900mAの入力電流を超えてはいけません。

• **Keep away from water, liquid, and moisture.**

- Tenir à l'écart de l'eau, des liquides et de l'humidité.
- Mantener lejos del agua, líquido y humedad.
- Von Wasser, Flüssigkeiten und Feuchtigkeit fernhalten.
- Tenere lontano da acqua, liquidi e umidità.
- 水、液体、湿気を避けてください。

FCC FCC

This device complies with part 15 of the FCC rules.
Operation is subject to the following two conditions:
1. This device may not cause harmful interference and
2. This device must accept any interference received, including interference that may cause undesired operation.

Note: This Equipment has been tested and found to comply with the limits for a class B digital device, pursuant to Part 15 of the Federal Communications Commission (FCC) rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
1.1. Reorient or relocate the receiving antenna
1.2. Increase the separation between the equipment and receiver
1.3. Connect the equipment into and outlet on a circuit different from that to which the receiver is connected
1.4. Consult the dealer or an experienced radio/TV technician for help
Changes or modifications not expressly approved by the manufacturer could void the user's authority operate the equipment.

CE DECLARATION OF CONFORMITY

Satechi declares that this product is in compliance with the essential requirements and other relevant provisions of applicable EC directives. For Europe, a copy of the Declaration of Conformity for this product may be obtained by visiting www.satechi.net/doc

WEEE Information

According to the WEEE (Waste Electrical and Electronic Equipment) Directive, do not dispose of this product as household waste or commercial waste. Waste electrical and electronic equipment should be appropriately collected and recycled as required by practices established for your country. For information on recycling of this product, please contact your local authorities, your household waste disposal service, or the shop where you purchased the product.
