ONTHEGO™ USB-C LANYARD CABLE

SKU: ST-LOTGLK / ST-LOTGLW / ST-LOTGLR

HALF-COVERAGE CASE

FULL-COVERAGE CASE
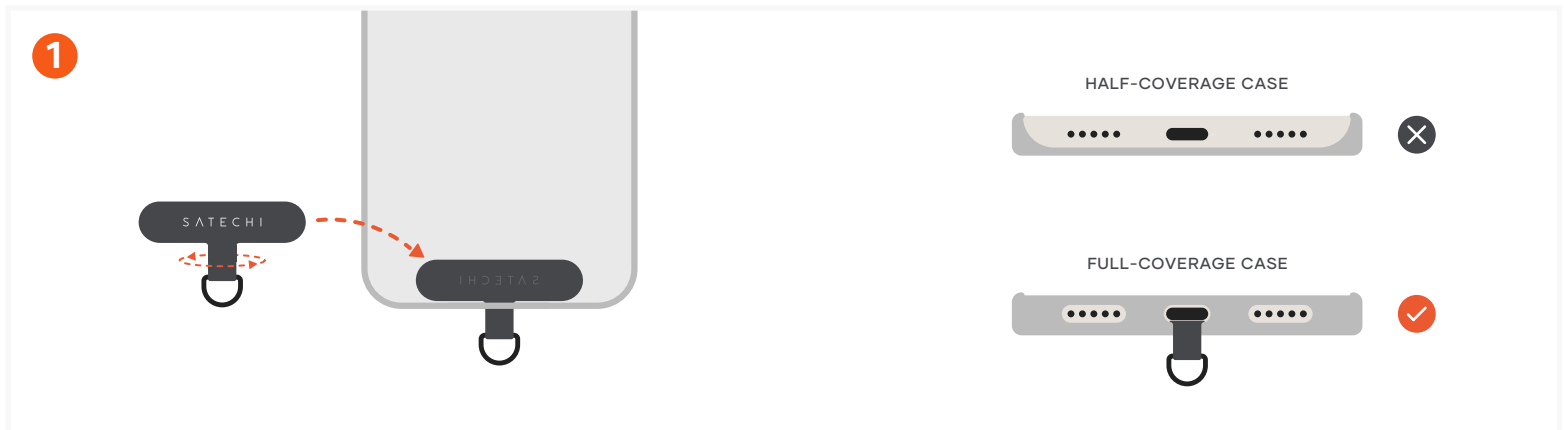

Place the included connector card with the Satechi logo facing the phone case (not included) and insert the loop through the charging port opening.
Please ensure the phone case has a closed design for the charging port. Not suited for half-coverage cases.

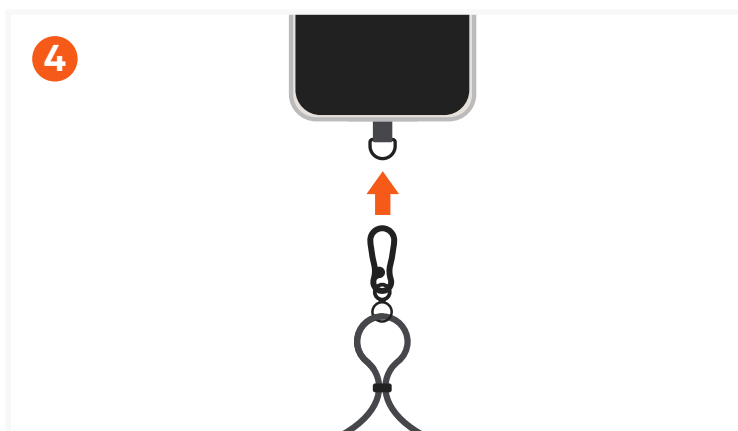

Place your phone in the phone case.
Ensure the connector card is securely inserted between the phone and phone case.

Adjust the cable to your desired length by sliding the ends.

Attach your phone to the carabiner.
Note: the cable and carabiner are not designed for climbing purposes.

UP TO
60W

Charge your host devices up to 60W.
Refer to your device's technical specifications.
