

67W SLIM ONTHEGO WALL CHARGER

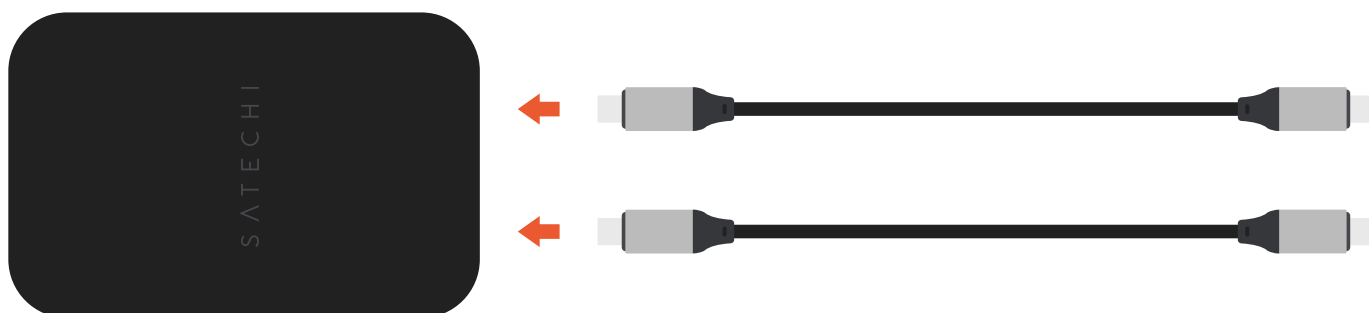

SKU: ST-COTG67K-US / ST-COTG67R-US / ST-COTG67W-US

1

Rotate prongs to plug charger into wall outlet.

2

Insert a USB-C cable into charger's USB-C port (cables sold separately).

3

Connect and charge up to two devices at a time:

Single port connection. Either port provides up to 67W.

Dual port connection. One port up to 45W and the other up to 20W.
