

TRIO WIRELESS CHARGING PAD

- 1** Plug the included 24W power adapter into a wall outlet.

- 2** Connect the included cable to the USB-C port located on the backside of the Charging Pad.

- 3** Place Apple Watch onto the magnetic charging module (2.5W). Supports Nightstand mode. Left LED light will illuminate

- 4** Place AirPods Pro/2 onto the middle charging groove (5W). Middle LED light will illuminate

- 5** Place iPhone or Qi-enabled smartphone face up onto the charger (7.5W). Right LED light will illuminate

- 6** To switch to an EU/UK adapter, fold up the US plug and slide over the appropriate adapter.
