

Instructional Guide

7-Port USB Charging Station Dock

1

Connect the power cord to the charging station and plug it to a wall outlet.

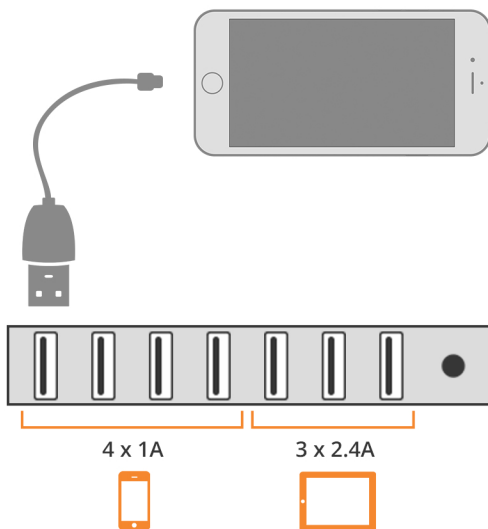

2

Press the "Power" button to turn on the power on all USB ports.

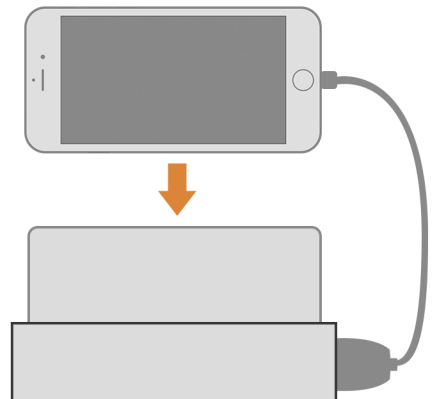

3

Connect your device to the USB port.

4

Place your device in an appropriate slot of the charging station.

* Use 2.4A ports for high-powered devices like tablets and 1A ports for smartphones, music players and other devices.
